Heroes Bible Trivia Bot
A Discord Bot inspired by Heroes Bible Trivia 2 created for users online on discord to learn about the Bible through discord and trivia on the comfort of their own seat.

2023

The Guy You Approach When You Have a Computer Related Problem Award

Character References

I like to code computer programs that may help as a utility and provide ease of access to features. I create general purpose applications or programs to help automate tasks and can work on big projects such as Web Design and Development and Game Development (Only Unity, Unreal Engine is just too resource intensive).

I hereby certify that the above information is true and correct to the best of my knowledge and belief.

Norberto Noah V. Sitoy
